

THE UNITED SYNAGOGUE
ERUV COMMITTEE

FAX MESSAGE	
TO	Graham Murdoch cc GSM, LB, EB, EL
FROM	David Schreiber
SUBJECT	Various instructions today
DATE	6th September 1993

Dear Graham,

Further to our telephone conversation this morning, I confirm as follows:

1 Ministry of Transport

Please make immediate contact with the MoT to establish whether or not an Inquiry can be avoided and what exactly the process for dealing with 'stopping up' will be.

2 Second Application

We prefer to follow through with the second application even in the face of Barnet officer's recommendation against to Public Works. In view of your own agreement with this approach and for good order, please establish that John Steel approves.

3 Appeal on 1st Application

We would like to know John's view of our chances on appeal in the light of the site visit made some while ago to Wildwood Road and the certainty of Barnet rejection of 'B' at Public Works.

Our Committee will be meeting next Monday morning to review our position and confirm the strategy we have set, to review funding requirements and PR. Please let me have as much feedback as possible - particularly about the MoT - by then.

Many thanks,
