(incl this page)

Further to our telephone conversation of today's date, I should like to confirm the following.

We understand you and some colleagues are erecting and holding some ERUF poles for the purposes of a site inspection, by an Inspector of the Government Planning Inspectorate, to take place in North West London on Monday 29th November 1993.

We confirm that the above Policy will cover the Public Liability risk under Section 4 of the Policy. For the above inspection only, the limit is being increased to £2,000,000 any one claim.

I trust that this is the information you require.

With kind regards.
