Mr. David Schreiber,
Chairman,
United Synagogue Eruv Committee,
9 West Heath Road,
London NW3 7UX

Dear Sir,

Esher House, The Bishops Avenue, N2

My family are the owners of Esher House. We have just seen the reference to our property on pages 26 & 27 and the accompanying plan in the Evidence of Councillor Mr. Frank Davis on behalf of the London Borough of Barnet. We are happy to confirm that I do not regard the proposal referred to in page 26 of the Evidence of Councillor Mr. Frank Davis as being to the detriment of the visual amenity of Esher House.

Yours faithfully,

Fred S. Worms
