**David Bushby. Esq.,
Eruv Inquiry Inspector
c/o Barnet Town Hall
The Burroughs
London NW4:**

Dear Mr Bushby,

I am writing to you in my capacity as President, and on behalf of the members of the Garden Suburb Beth Hamedrash. Our Synagogue is a long-standing constituent of the Union of Orthodox Hebrew Congregations, which has 10 or 11 Synagogues within the proposed Eruv area. We are the only one in Hampstead Garden Suburb.

We understand that you have received a submission from the Rabbinate of the Union. We wish to comment as follows:-

- 1. The Rabbi of our Synagogue was not consulted and is therefore not a party to the above mentioned submission.**
- 2. This Synagogue disassociates itself from the Rabbinate's stance and its submission.**
- 3. This Synagogue urges you to decide in favour of the proposed Eruv. If so, our members will make full use of it and derive much real benefit from it.**
- 4. Most of the Union Rabbinate and the overwhelming majority of its members reside outside the proposed Eruv area and will, therefore, not be personally affected.**
- 5. We firmly believe that many, if not most, members of the other Union Synagogues within the Eruv area share our views on this matter.**

Yours sincerely,

**L. Grahame
President**
