Dear Mr Bushby

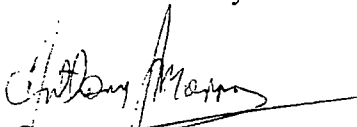

We are writing to you in our capacity as Wardens and on behalf of the members of the Bridge Lane Beth Hamedrash.

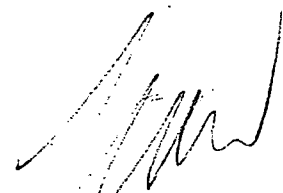

Our Synagogue is a long-standing affiliate member of the Union of Orthodox Hebrew Congregations, which has 10/11 synagogues within the proposed Eruv area.

We understand that you have received a submission from the Rabbinates of the Union to which we wish to comment as follows:-

1. The Rabbi of our Synagogue was not consulted and is, therefore, not a party to the above mentioned submission.
2. This Synagogue disassociates itself entirely from the Rabbinate's stance and its submission.
3. This Synagogue urges you to decide in favour of the proposed Eruv. If so, our membership of 150 (being male members and, therefore, approximately 600 souls) will make full use of it and derive much real benefit from it.
4. Most of the Union Rabbinates and the overwhelming majority of its members reside outside the proposed Eruv area and will, therefore, not be personally affected.
5. We firmly believe that the overwhelming majority of the members of the other Union synagogues within the Eruv area share our views on this matter.

Yours sincerely

District Judge
Anthony Morris
