Dear David,

I write to confirm the following details
with you further to our conversation.

Yakar is an independent Jewish community
situated within the boundaries of the proposed Eruv.

The Board of the Synagogue, together with myself as the
Rabbi, are in total support of the proposal. It is our
estimate that at least 100 people, including both members
and visitors would benefit from the Eruv on a
regular weekly basis.

Please convey to all those concerned that
all of our members are convinced that the Eruv would be
a significant benefit to our community.

Yours sincerely

Rabbi Saul Zechner

Rabbi to the community.
