Dear Rabbi Bayfield

I have just received a copy of your letter to Councillor Barbara Langstone. I am of course very grateful for your support but particularly I would like to tell you how touched I was by your sensitive and supportive approach to our problem. As you may know, Councillor Langstone originally expressed considerable misgivings about our project and if she has now been won over I am sure that it will be in no small extent due to your adding your very strong and eloquent views in our support. Many thanks.

Yours sincerely

David Schreiber
