Dear Sir;

It has come to my attention that a letter was recently received by the Eruv - Enquiry and signed by two lay members of my Congregation concerning Mrs. Hannie Nussbaum, of 2 Goodyers Gdns. N.W.4. This communication was sent without my approval or prior knowledge.

The facts are as follows. Indeed, Mrs Nussbaum "has not been given dispensation" etc, because she has never asked for any!

In truth, if she wishes to go to the synagogue on the Sabbath and participate in the service, she would be allowed - in view of her severe incapacity - to have a non-Jew (neighbour etc) push her wheel-chair to the nearby synagogue and back home.

I trust that this information will be of use in your deliberations.

Respectfully

Rabbi P. Roberts
