Dear Sirs,

TOWN AND COUNTRY PLANNING ACT 1990 - SECTIONS 78 (1 AND 2)
APPEALS BY UNITED SYNAGOGUE ERUV COMMITTEE
APPLICATION NOS. 10/7/92; ERUV 1 AND 7/6/93; ERUV 2
INSTALLATION OF STREET FURNITURE IN VARIOUS LOCATIONS
IN LONDON BOROUGH OF BARNET

We are writing further to your letters of 8th February and 6th May concerning the above appeals.

In your letter of 8th February you confirmed that the Inspector's report had now been received and that every effort would be made to issue a decision within the target time of 8 weeks from its receipt (ie by April 5th). That target was not achieved and in your letter of 6th May you explained that this was because the case raises some difficult issues. In that letter you also said that you were making good progress and expected that it will not be long before a decision is reached.

It is now over 2 months since the date of that letter (and over 3 months since the original target date expired) and my clients still do not have a decision on their appeals. As I am sure you will appreciate this is a matter of some considerable importance to them and many members of the local community and they are growing concerned at the delay in determining these appeals. While recognising that the case is somewhat unusual in planning terms, it would nevertheless be helpful if you are able to give us some idea as to when decisions are likely to be forthcoming in order that we may inform our clients of the timescale involved.

Thank you for your assistance in this matter.

Yours faithfully,

Graham Murdoch
