Councillor Greenspan

Planning Application Relating to proposed ERUV

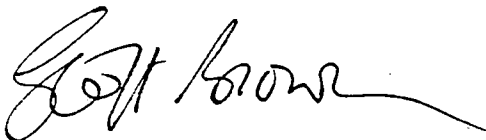

A report in respect of the above is included on the agenda for the Development and Protection Committee on 17th June 1998.

The report identifies options open to you in respect of the decision to be taken. If the Committee are of the opinion that the proposals are unacceptable on planning grounds then the question of need for the Eruv should be considered.

The applicants, The United Synagogue Eruv Committee have not put forward any new case in respect of need and to assist you I enclose extracts from the Inspectors report following the Public Inquiry relating to applications Eruv 1 & 2 in December 1993.

If you are unable to attend this Committee I would be grateful if you could pass the enclosed papers to your substitute.

Yours sincerely

G C Brown
Chief Planner
Development Control
