July 1998

Dear Mr Murdoch

ERUV

Thank you for your letter dated 8 July 1998, concerning the current proposals for the ERUV.

Thank you also for the enclosures that you sent, which included a draft licence prepared by Shelagh Best on behalf of the Highways Agency. It is my intention to propose the use of Section 50 of the New Roads and Streetworks Act 1991 in line with the approach taken by the Highways Agency. My report to the September meeting of the Public Works Committee will advocate the use of Section 50, subject to the agreement of the Controller of Legal Services, for the proposed licences that need to be issued for borough roads. I can confirm that the meeting of the Public Works Committee to which this report will be submitted will be held on 16 September.

There is an issue concerning two locations, at Regents Park Road and Squires Lane. I would be obliged if you could send me an enlarged detail at these locations.

Yours sincerely

J. Koster
