25th January 1993

Dear Councillor Tiblady,

Proposed Eruv

I enclose a letter signed by several concerned citizens in the area of various backgrounds and religious beliefs.

We trust you will appreciate not only the precedent that would be set if this application is approved but also the distress it will cause to the majority of the community.

For myself and some people I have spoken to, it could mean we would have to move from homes we have lived in for over 20 years.

We hope common sense and fairness will prevail.

Yours sincerely,

Elizabeth R. Lawrence
