Dear Ms McGurrian,

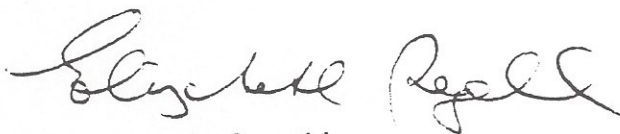

Thank you for your letter of 11th November (and for the extra information about the Council's letter of 26th August to the Applicant which you gave me in our telephone conversation yesterday).

In the light of this information, it would appear that the consultation letter of 27th August asked for our comments on an application for posts in Lyndale Avenue, junction with Cricklewood Lane, the siting of which had already been deemed by the Council to be unacceptable in planning terms. I would be grateful if you could confirm that this interpretation is correct. If so, why were we not informed?

Could you also kindly let me know, (as requested in our letter of 2nd November), the grounds on which the siting was rejected.

I understand that other proposed post sitings were rejected, and would appreciate a list of these.

Yours sincerely,

Elizabeth Segall
