Dear Mr Brown,

Proposed Eruv

Could you please let me know whether any amendments to the sitings of posts at map references 03, 04 or 32 have been requested as a result of the site inspections which took place on 16th and 17th January.

Advertisements in local papers dated 21st and 22nd January refer to an Updated Application, stating that it is available for inspection at a number of libraries, including Childs Hill. However, I wish to inform you that when I went to inspect the application at Childs Hill library today, only the previous version, dated November 1992, was available. Your comments on this would be appreciated.

Yours sincerely,

Elizabeth Segall
