Dear Ms McGurrian.

Proposed Eruv

On 12th January I wrote requesting the map and Applicant's details to accompany the November Update of the above Application, both for myself and for a copy to be placed in the local libraries.

More than 15 working days have now elapsed, yet I have received neither an acknowledgement nor reply to my letter. Kindly let me have the information requested, or should it be unavailable, the reason why this important information is not being made available to the public.

Yours sincerely.
