

Petition Campaign

Our Goal

To demonstrate the depth of support that exists in Barnet in favour of the Eruv. Councillors must be shown clearly that whilst there are a few vociferous people who oppose the scheme, a very significant number are in favour or at least have no objection. To drive home this fact, we need to achieve a strong four-figure total.

Guidelines

The right to petition is a time-honoured, democratic way of conveying your view to those who need to know! Make Sunday 13th December **Petition Sunday** and use the following week to collect the greatest number of signatures.

Please follow these notes to ensure maximum effect from the campaign.

- Nominate responsible people to collect signatures at well-attended events
- Agree with them a date by which they will return completed forms to you
- Keep a note of the names of people who will be gathering signatures
- Stress that we must not allow fraudulent or duplicated signatures which could undermine the campaign and cause a **חילול השם**

Who can sign

Everybody who is eligible to vote in Barnet - husbands & wives should sign separately

What to do with completed petitions

If a petition form is exclusively from within a ward, mark the ward name on the back. Return completed forms by Thursday 31st. December to

The United Synagogue Eruv Committee
Hendon Synagogue
Raleigh Close London NW4
