Dear Mr Schreiber

Proposed Eruv - Petition

I wish to formally acknowledge receipt of the petition which you handed in at the Town Hall on Tuesday 26 January.

The petition has now been passed to the Controller of Development Services at Barnet House with the request that he includes reference to it in the report on the planning application which he is preparing for submission to the Town Planning and Research Committee. I expect the application to be considered by the Committee on 24 February.

Yours sincerely

for Chief Executive
