Dear Sirs

HENDON AND GOLDERS GREEN ERUV

Thank you for your letter of 6 June enclosing an article from the Sunday Times and a note of your meeting with the London Borough of Barnet.

Can you please send me a plan showing the positions at which you wish the wire or nylon line to cross the trunk roads and details of the diameter and strength of the wire and the line.

This is the first time that the Department has received a request of this nature and you will understand that we must consider our policy on and the legal implications of your proposals.

I will be pleased to arrange a meeting with you as soon as you have provided the information that we require.

Yours Faithfully

Sain B Crutchlow
