Dear John

/ Thank you for your letter of 17 May enclosing this copy of one to the Department from the United Synagogue Eruv Committee, which was sent to you by Mr Schreiber of 9 West Heath Road, NW3, about their proposal to establish an eruv in the London Borough of Barnet.

/ You ask me the same question as the Eruv Committee put to the Department, whether if they appeal against Barnet's refusal of planning permission to erect poles in various highways to carry the wires marking the boundary of the eruv, any public inquiry can be held concurrently with any inquiry required before an order under section 247 of the Town and Country Planning Act 1990 stopping up the parts of highway affected could be made. The best answer I can give you is to let you have the enclosed copy of the official reply to the Eruv Committee, which explains the options open to them.

Yours ever
Steve
