Dear Madam

PROPOSED ERUV APPLICATION

Thank you for your letter of 25 August. Please find enclosed a copy of our press release dated 24 September 1992 which sets out the views of the Trust Council on the original ERUV application.

The second application has now been considered, and whilst not commenting on the principle of the ERUV the Hampstead Garden Suburb Trust considers that the form taken by the proposed ERUV in Wildwood Road will neither preserve nor enhance the character of the Hampstead Garden Conservation Area.

The Trust wishes to draw the attention of the London Borough of Barnet, as the planning authority, to its special duty to ensure that all development preserves or enhances the character of this conservation area through the exercise of its planning powers.

Yours faithfully

C M Kellerman
Trust Manager
