Dear Brian

Eruv

I refer to your letter dated 5 June 2001 to Peter Sheldon and now hasten to return the Licence signed by me as a director of the United Synagogue Eruv Committee, a company limited by guarantee and a registered charity. My signing the document on behalf of the United Synagogue Eruv Committee was pursuant to a meeting of the board held yesterday to approve the Licence and authorise me to sign it on behalf of the company.

So far as the Performance Guarantee is concerned, Peter Sheldon will be in touch with you direct.

Needless to say we are looking to receiving, may I dare to say without delay, the Licence signed on behalf

of Barnet. Since we have reached this very important stage, I would like to take this opportunity of thanking you for all your assistance in bringing this very difficult matter to what I hope is a conclusion, at least with Barnet. I hope we can achieve the same with the Highways Authority without much further delay.

With all good wishes

Yours sincerely

Graham Morris
