

A Call for

ACTION

The United Synagogue Eruv Committee has been working to provide this important amenity for the community in North West London.

An application is now being considered by Barnet Council and a vote will be held by the Public Works Committee on June 30th.

Councillors are divided on the issue. Some are in favour, others are indifferent but a few are vociferously against. They clearly have not understood that the Eruv is needed by all practising Jews. It is essential to young parents and their children, to the disabled, the frail and the elderly.

If you want the Eruv, for yourself and others, you can make it happen by writing to your Councillor listed below or to Councillor Don Goodman, Chairman of the Barnet Public Works Committee. Write a short personal letter that expresses, in your own words, why YOU want the Eruv and ask for their support.

Don't be part of the silent majority

Write to your Councillor NOW!

East Finchley	Joan Ryan
Finchley.....	Barbara Langstone
Garden Suburb	Frank Davis
Golders Green	Melvin Cohen
Hendon	Fred Poole (The Mayor)
Committee Chairman	Don Goodman

Address letters to your Councillor or the Chairman:
