Press Release

Briefing paper used in Presentation to Barnet Councillors

Poster now being distributed in NW shuls (sorry they're all a bit hand-knitted!)

I would welcome any thoughts on the flow of the material and the 'tone of voice'. At the press conference, I will run through the main features and then introduce a charming/attractive women of 50ish who is wheel-chair bound with MS who will explain what it means to her, and a young mum to do the same. I could have an elderly woman as well but thought it would be OTT.

I also attach my summary sheet on councillors, **PW** means Public Works and **TP&R** is the Planning committee. The main ones we need, in priority order, are:

The two committee chairmen, **Don Goodman** and **John Tiplady**

The (new) Mayor - **Fred Poole**

Mrs **Barbara Langstone** (who represents the 'indigenous population!')

Frank Davis and **Gerald Shamash** - two self-hating Jewish councillors

I take on board your comments about Lord J's role. On his return I will make sure that he is briefed with a focus on the key welfare issues - elderly, women, handicapped. I will contact you on Wednesday 24th. June.

Looking forward to getting a reaction and comments from you. The above numbers are my office, Schreiber Securities Ltd.

Telephone at home is 081-202 2284
