Dear Rabbi Kimche,

My thanks for your letter of October 16. I reject totally your accusations against this newspaper and I suggest that, if you wish to pursue the matter, you write to the Press Complaints Commission. We hold a full shorthand transcript of what you said and note, in particular, that you made no complaint to me when we reported what you had to say.

You ought to be aware that I am Jewish and understand fully the sentiments that are being expressed as a result of the current controversy. You ought to be aware too that I have known Frank Davis personally for more than 30 years, and I am sending him a copy of this letter.

You do not make it clear whether you wish me to publish your letter. I am not prepared to do so in its present form without putting an editorial comment beneath it to the effect that your accusations against us are untrue. A member of my staff, Roger Blitz, who is also Jewish, will phone you on this matter.

Yours sincerely,

Gerlad Isaaman
