re Meeting 19th December

I have to be away from the meeting by about 6:30 because of another commitment.

I wanted to raise the suggestion, which I have discussed with Rabbi Kimche, that we need to produce immediately a basic PR sheet in the form of questions and answers that can be used whenever we present the Eruv idea to the outside world. It would already be useful in contact with the council, the JC, etc. It should be brief, light and aimed NOT at the frumers but at the non-orthodox and non-Jewish audience.

I suggested to Alan that he should draft the words and you should give the job of writing it up and producing it to Bobby Hill or someone with similar skills. I'll deal with the graphics and printing.

The suggestion also arose that we approach the Council of Christians and Jews, via the Chief Rabbi, and get their endorsement of the project. It should be presented generally as an (ethnic?) minority community project.
