MEMORANDUM	
FROM	David Schreiber
TO	Michael Goldmeier, Laurence Begner Alan Perrin
DATE	Wed, Jul 1, 1992
PAGES	1, including this one

Following the successful outcome of the meeting last night, I attach:

- a) Brief notes of the proceedings (let me have any amendments)
- b) The closing scorecard for Public Works and opening assumptions for Planning.
- c) Copy letters to MPs and councillors.

Once we have a timetable for the planning process, we can begin to outline a campaign.

A lot of people have been very generous, if not lavish, in their expressions of appreciation for the outcome last night. I am very conscious of the work that all of us have been doing, and the time that it has taken, to achieve such a favourable result and I'd like you to know that I consider it a privilege to work in a team with you.

I do think, as we have all discussed, that in the hiatus before planning gets going, we should focus our attention and energy on an *achdut* campaign. I am having a few 'feeler' meetings, on which I will report to you, having had the green light from Rabbi Kimche and Dayan Ehrentreu this morning.

Best Wishes,

cc Rabbi Kimche
