

THE UNITED SYNAGOGUE
ERUV COMMITTEE

INTERNAL MEMO	
TO	Dayan Ch. Ehrentreu, Rabbi Alan Kimche, Alan Perrin Laurence Begner, Edward Black, Graham Morris
FROM	David Schreiber
DATE	Tuesday, May 25, 1993

In an effort to head off any potential confrontation with the United Synagogue, and in anticipation of the US meeting on the 13th June regarding the Eruv, I have arranged an informal meeting with Tony Ansell at 11.30 am on Wed 2nd June.

I have asked Alan Perrin to discuss the DoT response with Jeff Brown, the Chief Planning Officer and to ask him to approach the DoT as they suggest.

Fibbens Fox has produced a draft set of documents for Application 'B' and the Appeal which are being revised now by Alan and Graham -

- Please make sure that all corrections are returned to Graham Murdoch by Tuesday 1st June.

As a result of a meeting Graham and I had with Alfie on Sunday regarding major fundraising, it became clear that the sequence of events needs to be:-

- 1 Submit Application 'B' to Barnet
- 2 Appeal requesting written reps. to Sec of State
- 3 Launch public Appeal Appeal
- 4 Approach potential guarantors

- Edward, please prepare and circulate a draft press release to go with 1&2

To some extent 3 above, and certainly 4, are dependent on having a suitable account to receive the funds as charity and for us to be free to disburse them as required. The United Synagogue are sitting on the mandate for the Eruv Committee bank account recently opened and therefore are effectively obstructing fundraising at this stage. This will be the first order of business with Tony Ansell and, on a wider front, we will look for an accommodation between the concerns and ambitions of the United Synagogue management and our own clear-cut objective.
