

THE UNITED SYNAGOGUE
ERUV COMMITTEE

MEMORANDUM

TO: Laurence Begner
Edward Black
Alfie Frei
Graham Morris
Syma Weinberg

FROM: David Schreiber

DATE: 16th July 1993

Please would you attend an Eruv meeting on Monday, 26th July 1993 at 4.00 pm at 9 West Heath Road.

There are a number of major questions that should be answered by that time and which will require a serious review on our part before pressing ahead with the appeal and the necessary major fund-raising.

We should have answers by then on the issues raised in my last update of 14th July concerning Public Works. On Monday, 26th at 3.00 pm, John Steel QC will be conducting a site visit at Wildwood Road and will be in a position to express a clear opinion about our chances on appeal of Application A. Following the Wildwood Road visit, John Steel will inspect an existing test site where mono-filament wire has been in place for three months and has performed perfectly despite quite extreme weather conditions. We anticipate that he will be leaving before 4.00 pm and the meeting should therefore start promptly at that time.

Please let Valerie know that you can attend.

Please note that Monday is *Erev Tisha Be'Av*.
