Dear David

The "Barnet Eruv Objection Briefing" of August 1993 asks "who are the United Synagogue Eruv Committee?"

The United Synagogue Eruv Committee was set up in 1990. The then President of the United Synagogue invited the Honorary Officers of four United Synagogue communities and one independent community to each send a representative together with their Rabbi to form the United Synagogue Eruv Committee. Michael Goldmeier, one of the Honorary Officers of the United Synagogue was the first Chairman of the committee.

Michael Goldmeier remained Chairman until his resignation as an Honorary Officer of the United Synagogue in October 1992. You assumed the Chair at that time. The Chairmanship has always remained within the United Synagogue, (you are a member of the Hendon Synagogue) and under the Ecclesiastical Authority of the Chief Rabbi.

Sincerely and G'e

Jonathan Lew
